# Pathway Programs

- Pathway programs are a good opportunity to the students who are unable to meet the direct entry requirements of the Australian universities
- Students who are not able to meet the direct entry requirements of Australian Universities can be offered 'Pathway Programs'
- These programs can be offered at undergraduate level and postgraduate level
- These are also called as 'Packaged Programs'
- Pathway programs are of two types
  - Academic pathway
  - English language programs

- Students scoring 55% to 64% in HSC can be offered these programs
- They are also called as Diploma leading to Degree programs (D to D programs)
- Students usually get admission in a college where they study a Diploma Program for one year (e.g., Diploma of Business)
- After successful completion of Diploma, they progress to the second year of Bachelor's degree, eventually completing their graduation in 3/4 years

# **Academic Pathways (UG)**

# English Language Pathways (ELICOS)

- English Language Pathways are also called as ELICOS, EAP, ELP, etc.
- Offered to students falling short of English language requirement
- Students have to study English ‘before’ commencing their main program
- Duration of ELICOS is restricted to minimum 10 weeks
- Tuition Fee of ELICOS: AUD 300 to AUD 400 per week
