Evidence of Funds

- Evidence that the student has immediate access to Tuition Fees + Living expenses for all the years. €12,000 is the estimated cost of living in Ireland as per Irish Embassy for a student for one academic year. The cost of total duration of study and stay needs to be shown in liquid funds such as Education Loan, Bank Balances and Fixed Deposits.
- It is highly recommended that the tuition fee should not be sponsored only through the education loan, which means the sponsor should have 6 months old liquid funds in their account apart from education loan.
- To get faster VISA, it is advised to make full fees payment before applying for VISA.
- If there are recent large deposits in the account then a proper source of those funds also needed to be submitted.
- Evidence of deposits, registration and tuition fees already paid and evidence of the source of funds used to pay them to be shown.
- In case of education loan, the monthly income of parents should be sufficiently more to cover the other living expenses of the sponsors/parents and the EMI of the education loan.
- Sponsors should have strong annual income and below listed documentary evidences can be accepted.
 - Copy of Income Tax Returns with average annual income of Rs. 8 to 10 Lakhs.
 - In case of agricultural income, income certificate from Tehsildar with translated copies of land record and bills of the sales of the agricultural produce.
 - Form No. 16 and salary slips in absence of ITRs.

Thank You
